

19/76 Paterson River Road Gresford NSW

Perched high with magnificent views, is this secluded 57.77 acres, ideal if those looking for a peaceful and quiet getaway.

The property is a mixture of rain forest timbered country, open grassed areas, two dams, your own private waterfall plus magnificent breath taking views to the south.

Whilst there are no building entitlements, there is a huge, newly constructed shed with two 5,000 litre tanks and the end of a 3km of formed gravel ROW road.

Inspections strictly by appointment.
